This message modifies parts one and two of TWX DEF 964914 dated 4 Sept. 59. Total FY 60 SAMOS funds authorization is $148.0 million. Within this funding, E-5 camera and associated recovery development will be conducted on time scale leading toward recovery launches in the second quarter CY 1961 time period. Necessary program adjustments to accommodate incorporation of recovery within this level of funding will be made in [ferret and/or] visual readout portions. Contract negotiations should be revised on this basis.

Request as soon as possible a briefing to present your recommendations concerning a balanced program within scope of guidance provided together with detail of revised schedule and cost data by Subsystem for FY 60 and FY 61. For planning purposes assume FY 61 Level [redacted]
